SUNRISE TOURS

- Responsible Traveler Edition -

Action 01

Listen to the guide and learn about the culture and customs.

The "1-Day Kyoto & Nara Tour" is highly recommended for those interested in Japanese tradition and culture.

春  
Spring

The most popular is the "1-Day Mt. Fuji & Hakone Tour" (a carbon offset product).

Check out the reviews and give Sunrise Tours a try!

Start your Journey

Summer 夏

Enjoy a delicious meal!

Sushi, ramen, WAGYU, local soft serve ice cream, Japanese sweets, and more!

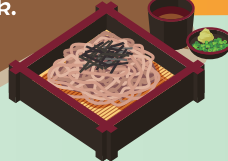

Action 02

Support the local economy by considering products locally produced for local consumption.

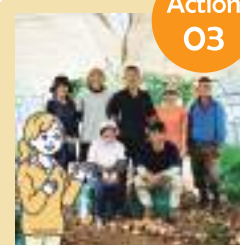

I've eaten so much delicious Japanese food that I'm too full to move. I need to take a break.

Experience a ride on Japan's renowned Shinkansen!

Action 03

Act with consideration for local residents.

Interacting with locals can deepen your understanding and appreciation of Japan.

Action 06

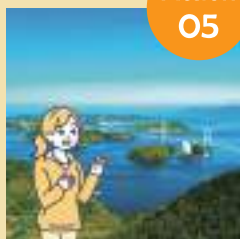

Use your own bag when shopping.

In Japan, each region has traditional crafts that have been passed down through the ages. Experience making traditional crafts.

Action 05

Try off-season travel and explore off the beaten path to avoid congestion and crowds.

When I stopped speaking loudly and started listening carefully, I heard the sounds of insects and birds that I had never heard before.

Action 04

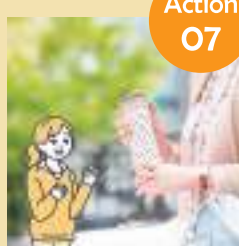

Be considerate of the subject as well as location and surroundings when taking photos.

秋  
Autumn

Action 07

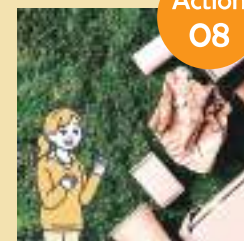

Bring your own bottle for drinks.

We also recommend exploring the city early in the morning, when it's less crowded!

Action 08

Bring home any of your trash during the tour with you.

冬  
Winter

Action 09

Take care of the scenery for future generations.

Rejuvenate yourself by experiencing the natural beauty and scenery of Japan.
